## QUALITY for the masses from a WORLD-CLASS audio brand.

The DD Audio **REDLINE** Series is hand-built to our exact specifications with the highest quality materials to provide the performance you demand — at the price you want. These subs are an import line built to the same demanding standards, featuring the same DD Audio innovations as our American-made woofers. The **REDLINE** is available exclusively through authorized DD Audio dealers.

Find a dealer near you at **ddaudio.com/dealers**.
